Out of This World Literacy 2 days ago There's no better feeling than being with fellow teachers, learning from each other, and building each other up in our journeys to change the lives of students.

It was actually recovered for the most part. Nova did a story on cleaning out the ground zero site and focused on it. They were in very strong safes, like Fort Knox strong. The safes were mostly intact. The heat did melt a lot of the bars which wa...

The World Literacy Foundation is a global not-for-profit that works to lift young people out of poverty through literacy. Founded in Melbourne, Australia in 2003, the World Literacy Foundation operates on the principle that education is a basic human right. It aims to eradicate global illiteracy through the promotion of literacy and the provision of educational resources. The World Literacy foundation works to get communities involved and raise awareness of the importance of literacy. It is repo

A beautiful dancer spends all of her life stuck at the top of the clock tower. She spins on her toes incessantly in order for the clock to work. One day she becomes curious about the world outside, especially the balloons that float past her window. As she steps into the outside world something has changed.

Literacy. The poorest countries in the world, where basic education is most likely to be a binding constraint for development, still have very large segments of the population who are illiterate. In Niger, for example, the literacy rate of the youth (15-24 years) is only 36.5%.
