Erica has an MA in higher education from Geneva College, with a graduate research focus on the senior year transition. Drawing on best practices and research on senior preparedness, After College: Navigating Transitions, Relationships and Faith offers practical tools for a life of faithfulness and flourishing during a critical, transitional time.

"The first year out was one of the hardest years of my life." —Curt The years after college can be some of the most uncertain, unstable times of life. Recent graduates grieve the loss of community, question their place in the world and struggle to find meaningful work. It can be shocking to discover that college did not fully prepare you for the challenges you now face.

Erica Young Reitz, author of a new book called, "After College: Navigating Transitions, Relationships and Faith." Today, she shares about the challenges college students face once students graduate. She also gives practical guidance on how college students go from college student to a work and community life.
