Once you find your worksheet, click on pop-out icon or print icon to ...

Like Terms. It may help you to read Introduction to Algebra first. Like Terms "Like terms" are terms whose variables (and their exponents such as the 2 in x^2) are the same.. In other words, terms that are "like" each other. Note: the coefficients (the numbers you multiply by, such as "5" in $5x$) can be different.

Welcome to the Algebra worksheets page at Math-Drills.com, where unknowns are common and variables are the norm. On this page, you will find Algebra worksheets mostly for middle school students on algebra topics such as algebraic expressions, equations and graphing functions.
