Banish Clutter Forever! One Simple Secret is all You'll Ever Need. First, clear clutter by category, not by room. Start with your clothes and get all of your clothes out of the closet, out of the attic, the dry cleaners, or the hall closet so you can see all the clothes that you own. The sheer volume may startle you.

Here are ten quick life hacks to de-clutter and simplify your life. Maybe a few will help you out a bit!! 1. Begin High and End Low. Don't randomly move from chore to chore because you create more work for yourself in the end. You increase the time it takes to get the work done. Begin high and end low as you work your way down.
