

Download Chasing The Cobra

Chasing the Cobra is a fantastic adventure story that I could not put down. It is rich with detail and great characters, chock full of historical context woven seamlessly into the story, obviously well researched...I loved every minute. What a literary treat.

CHASING THE COBRA recreates the early 19th Century Mediterranean where Barbary pirates prowl free, seizing merchant ships, enslaving their crews and collecting ransom. Especially notorious is Haddim, The Indestructible, an elusive renegade known for his cunning and brutality.

CHASING THE COBRA recreates the early 19th Century Mediterranean where Barbary pirates prowl free, seizing merchant ships, enslaving their crews and collecting ransom. Especially notorious is Haddim, The Indestructible, an elusive renegade known for his cunning and brutality.

This video shows just how close the spectacled cobra came to avoiding capture. A previous video posted shows the actual kill, whereas this focuses on the chase. Still, the spectacled cobra is fair ...

While playing Golf today in Thailand, I hear yelling and screaming from behind me. I turn around to see a barefoot man in a tiger shirt running at me with a stick. I take out my camera and soon ...

Home of the original paracord fish hook bracelets.

What does it mean to dream of a cobra chasing you in your house? Chase dreams often indicate that the dreamer is running from some problem or situation in real life. The subconscious presents an ...

New Colt King Cobra with 3-inch barrel. With a planned unveiling at the upcoming 2019 SHOT Show in Las Vegas, the Colt King Cobra marks the fifth gun in the company's rebooted revolver line and the first DA .357 Magnum it's produced in a spell. Up to this point, the Cobra line, introduced in 2017, has focused on snubie .38 Special revolvers.

The king cobra (*Ophiophagus hannah*), also known as the hamadryad, is a venomous snake species in the family Elapidae, endemic to forests from India through Southeast Asia. It is threatened by habitat destruction and has been listed as Vulnerable on the IUCN Red List since 2010.
