Classical Comics has answered the call. Dickens' A Christmas Carol has been handsomely given a new reading using the original text and illustrated compellingly over 140 pages of story followed by short essays on the life of Dickens and 19th century England. This isn't the first time A Christmas Carol has been turned into a comic book.

A Christmas Carol: Quick Text. Classical Comics. This is the classic novel brought to life in full colour! 'I will honour Christmas in my heart, and try to keep it all the year. I will live in the Past, the Present, and the Future'. Classical Comics' first Dickens title is probably his best-loved story.

- US Editions. Choose the text version to match your reading level: Original Text The classic novel Quick Text The classic novel with less dialogue. Both full-color graphic novels feature comic book style illustrations throughout, an illustrated character list (Dramatis Personae), and fascinating support material that details the life and work of Charles Dickens as well as information on ...

An adaptation of Dicken's novel, A Christmas carol. A miser learns the true meaning of Christmas when three ghostly visitors review his past and foretell his future. This quick text version reduces the text to as few words as possible while retaining the essence of the story. In graphic novel format. Suggested level: secondary.
