A small, close-knit Orthodox Jewish community in London is the setting for a revealing look at religion and sexuality in Alderman's frank yet heartfelt debut novel, *Disobedience*. The story begins with the death of the community's esteemed rabbi, which sets in motion plans for a memorial service and the search for a replacement.

Disobedience is the debut novel by British author Naomi Alderman. First published in the UK in March 2006, the novel has since been translated into ten languages. *Disobedience* follows a rabbi's lesbian daughter as she returns from New York to her Orthodox Jewish community in Hendon, London. Although the subject matter was considered somewhat controversial, the novel was well received and earned Alderman the 2006 Orange Award for New Writers and the 2007 Sunday Times Young Writer of the Year Award.

A small, close-knit Orthodox Jewish community in London is the setting for a revealing look at religion and sexuality in Alderman's frank yet heartfelt debut novel, *Disobedience*. The story begins with the death of the community's esteemed rabbi, which sets in motion plans for a memorial service and the search for a replacement.

Disobedience is a novel of modern times and yet of an old problem. It focuses on a high-tech way of not only conducting, but also monitoring, a less than desirable relationship. The characters are so authentic that at least one of them is sure to be reminiscent of a real life person!

"Michael Drinkard is a magician. In *Disobedience*, you will find prose quanta that act like neural implants, producing a lyrical time-warping vision of California that you won't be able to get out of your head."--Rick DeMarinis, author of *The Coming Triumph of the Free World*
