Tips for keeping your dog fit and trim. Just as with humans, one of the biggest health problems today for dogs is obesity. Many owners think their pudgy dogs are adorable, when in fact they are extremely unhealthy. Overweight dogs can develop the same kinds of problems that overweight humans can, such as diabetes mellitus, which can be very tricky to treat.

There is some discussion that cooking a pork collar butt would be cheating. Is there an advantage to cooking a collar butt, versus say, a Boston Butt or Picnic Shoulder? If I am not a competition cook, lets talk about what would be the best part of the shoulder to cook for pulling? Let's also assume I cannot get a whole shoulder onto my 22.5 ...

Collard Greens Make Your Butt Big. The title is what I overheard a child saying in class last week. I tried to explain to her that food doesn’t work like that, and that greens are actually very low in calories and quite healthy, but she totally didn’t buy it.
