Get this from a library! Flora : an illustrated history of the garden flower. [Brent Elliott; Royal Horticultural Society (Great Britain)] -- 'Whether roses from China, geraniums from Southern Africa, hibiscus from the Pacific or orchids from the Americas, all the best-loved garden flowers are illustrated in this book, along with the story ...

Flora straddles the line between being an art book filled with flora pictures and a gardening title packed with details about garden flowers. Both audiences will welcome this lavish presentation but it's the artist who will have a rare opportunity to appreciate the detail and color of floral designs.
