Certificate Templates. There is a large selection of free award templates on this site. Each template can be customized to your needs and all of the text can be changed. You can also add a logo or image if you want. The difference between the editable certificate templates and the ready-to-print certificates on this site is the level of ...

The custom templates you created using an earlier version of Office are still there, but Office doesn't show them by default. Instead when you open an Office program, you'll see the templates provided by Office. If you want to see your custom templates on the Personal tab when you start an Office program, here's how to do this.
