Free Excel Template for Employee Scheduling Get the only Excel template for employee scheduling that lets you easily add employees, add shifts, keep track of overtime and forecast your labor costs so you can stay within your budget.

Using Homebase for free employee scheduling is a win-win: your team will love the flexibility, and your managers will save hours on team scheduling. Creating and publishing a work schedule on Homebase only takes a few minutes, and if you keep the same schedule week to week, you can easily copy it over or even schedule weeks in advance.

A weekly employee schedule template is a file that you can edit from one week to the next to update your staffs' working schedule. The template should generally include dates, days of the week and employee names or ID numbers.

Download our free employee shift schedule spreadsheet to help organize work assignments. This template was designed for small businesses and is particularly useful for fast food restaurants, small stores, or departments where employees change stations throughout a work day. Also check out our work schedule template and free calendars.
