[PDF] FREE German Swords and Sword Makers: Edged Weapon Makers from the 14th to the 20th Centuries

German Swords and Sword Makers Edged Weapon Makers by Richard Bezdek. ... It's a 70 pages long list of the German sword makers from the 14th to 20th centuries. This list is probably the largest ever published. This book also has exciting sketches and pictures of swords, swordsmiths, and factories.

British Sword Makers. The history of British sword manufacture is a tale characterised by a series of economic highs and lows, due in part to the changing necessities of military conflict, government intransigence, and an on-going "war" conducted by British sword makers, against a flood of cheap, (sometimes inferior) foreign imports, most notably from Solingen, Germany.
