Like all pets, live fish have individual personalities and temperaments – some can become aggressive and territorial in a community tank, while others are comfortable enough to follow the motion of the ocean. Petco's fish store associates can help you find the right live pet fish for your unique needs. Generally speaking, freshwater aquarium ...

Goldfish HousePlants have hundreds of small, thick, shiny, dark green leaves and colorful flowers that resemble tiny goldfish. The flowers on a Goldfish Plant may be red, orange, or yellow. I find Goldfish plants are easy to care for, drought resistant, and with proper care bloom on and off all year.

Just like the rest of us, goldfish do best with some variety in their diets, and thrive on a varied diet that's closer to what they would be eating in the wild. You may even find that they'll swim to the top to take their favorite tidbits from your hand.

How to Take Care of Goldfish. Goldfish can be rewarding and medium-maintenance pets but aren't perfect for beginners. Although goldfish require as much care and equipment as most aquarium fish an aquarium that is too small will eventually...
