The GWR Handbook: The Great Western Railway 1923-47 by David Wragg. For many the GWR was synonymous with vacations by the sea in the West Country, but it was originated to serve as a fast railway line to London, especially for the merchants and financiers of Bristol.

There was an inevitable sense of triumph in this cartoon in the first post-grouping issue of The Great Western Railway Magazine in January 1923, reproduced from the South Wales News. The 'old' GWR accounted for more than 80 per cent of the new company's route mileage, and more than three-quarters of its personnel.
