How Full Is Your Bucket by Tom Rath and Mary Reckmeyer is a story where a young boy named Felix begins by arguing with his younger sister. His grandfather tells him about how everyone has an invisible bucket above their heads that holds water.

An illustrated adaptation of the long-running bestseller How Full Is Your Bucket? (more than 400,000 copies sold) for kids — told through the story of a boy who learns a valuable “bucket filling” metaphor and watches it come to life as the day unfolds.

Yet most children (and many adults) don't realize the importance of having a full bucket throughout the day. Each of us has an invisible bucket. When our bucket is full, we feel great.

feel amazing when your bucket is full but not so great when your bucket is empty. In this story, Felix begins to understand that his kind words and actions can fill someone's bucket but unkind words can empty the bucket. The lesson goes even further as he sees his own bucket filling up just by “Encouraging Others” and filling their ...

How Full Is Your Bucket? For Kids An illustrated adaptation of the long-running bestseller How Full Is Your Bucket? (more than 400,000 copies sold) for kids — told through the story of a boy who learns a valuable bucket filling metaphor and watches it come to life as the day unfolds.

In this game, you will try to collect the four bucket filling pictures to place on your bucket. When your bucket is full, you did it! To Play: Students take turns drawing a number card and moving the given number of spaces on the board.
