

Download How Play Win College Game

How To Play & Win The College Game is based on the curriculum for the award-winning Freshman Seminar Sharon Padilla-Alvarado designed at Cosumnes River College in Sacramento, California (which has been identified as one of the top 10 most diverse public two-year colleges in the U.S.).

“How To Play & Win The College Game is ‘a game-changer’ for new college students – especially those who know little about the challenges they are about to face. Author Padilla-Alvarado does a masterful job of speaking directly to students with practical advice on knowing their faculty members, attending class, managing time and money, staying healthy and succeeding in college.

The College Game is a collection of resources that can help new and soon-to-be college students make a smooth transition from high school to the college environment. Purchase Now How To Play & Win The College Game

Proving that success has little to do with being a genius workaholic, and everything to do with playing the game, How to Win at College is the must-have guide for making the most of these four important years—and getting an edge on life after graduation.

If you lose one of the first two games, you will have to win 3 more games in 2 days (for a total of 5 games played in 4 days) to claim the championship, and most teams don't have enough decent ...
