Whale Hunt in the Desert: The Secret Las Vegas of Superhost Steve Cyr. In pre-1990s Las Vegas, casino marketing executives were all cut from the same cloth. They rose through the ranks of operations - dealer, floor-man, pit boss, shift boss and casino manager. When it was time to leave the trenches, they hosted a handful of established players according to the rules of old-school Vegas. Then Steve Cyr showed up.

There is nothing particular to note when hunting these. Since Blue Whales are quite fast, one of the party members should be sailing a fast boat (fishing boat) to chase the whale while others shoot. The Blue Whale has an incredibly large amount of HP, so cooperating with other parties is not only, recommended it is required! Black Desert Online is an MMO afterall.
