Interaction is the answer to engagement, and using the features of the platform is the answer to interaction. However, the features alone do not engage participants. It is what you choose to do with those features that will make the difference in your next virtual training, webinar, or meeting.

Keep it short. Give them too much, and their brains will simply shut off. Either make your session a maximum of two hours or, if it's taking place over the course of a day, schedule in plenty of short breaks. Give attendees a chance to get up, walk around, and grab a cup of coffee.
