

Download Kicking The Odds

KICKING THE ODDS is an inspirational book, a story about seizing opportunities when they come and knowing that it takes determination and strength of will to succeed. Brett's story is one of courage and hope.

Put a stop to stinkin' thinkin' and 'Kick' the odds that are holding you back. The definition of insanity is to keep doing the same thing over and over expecting a different result, so let's try something different. Remember, nothing beats a failure but a try.

Kicking The Odds is the story of Brett Sheldon, a young man born with a birth defect that left him with short arms. In it, he talks about growing up, learning to overcome the obstacles and preconceptions of others, and how he excelled in athletics and in life. Brett gained notoriety as a high school football kicker going so far as to break his school's kicking record.
