Labyrinth (film) The film started as a collaboration between Henson and Froud, with ideas for the film first being discussed between them following a screening of their previous collaboration, The Dark Crystal. Terry Jones of Monty Python wrote the first draft of the film's script early in 1984, drawing on Froud's sketches for inspiration.

The winding path of the labyrinth is not unlike the route we travel to recollect the past and begin to write a memoir. This experiential workshop will explore the symbolism and mythology of the labyrinth and its value as a reflective practice that helps to release creativity, prompt memory, and integrate past experiences.

Labyrinths is a collection of stories revolving--as the planets, the asteroids, et al, do around the sun--around the concept of the labyrinth, whether it be one of time or space or pure imagination. Every story stands on its own; every story illuminates another facet of the cosmic jewel of labyrinth-ness.
