Just in time for the holidays, the third Terrence Reid/Anne Michaels mystery, *Less Than A Treason*, set at Christmas in the Scottish Highlands, is being released this Thursday, October 29, 2015. Here's the story: Scottish Police Superintendent Terrence Reid tears himself away from a murder investigation in Glasgow to return to his family's ancestral home for a Christmas house party ...

Dana Stabenow's book - *Less Than Treason* - which I picked up as a change of pace mystery, felt the same way to me. This novel chronicles in part events that occurred right after the main character was The problem with reading a book in a long running series, is that its like going to your high school reunion where everyone knows each other but ...

Suspecting that his estranged wife is having an affair with a famous artist from a renowned American art dynasty, Scottish Police Superintendent Terrence Reid, heir to a whiskey fortune and a Scottish title, travels to the small California seaside town of Bodega Bay to try to win her back - only to ...
