

# Download Letter Of Intent Construction

A letter of intent can take any form – it all depends on how the initiator wants to handle it. It can be as formal or as informal as the party wants. Here is a sample letter of intent for a construction project.

A letter of intent will always be the poor relation of a carefully negotiated and documented contract. However in the time critical construction environment there will continue to be a place for LOIs, and so it is important to make sure that they comply with a simple checklist of requirements designed to avoid ambiguity and open-endedness.

letter, amended to refer to the appropriate CCA trade contractor document, if necessary to maintain the project budget and schedule. Prior to issuance of any such letters of intent you must advise {owner name} and obtain specific permission for each such commitment. In any such letter of intent to a trade contractor you must state that {owner name} and

Definition of Letter of Intent ( LOI ) in Construction Formal letter to a contractor or subcontractor, that notifies the recipient of the intent by another party to award a contract or sub contract on a project. An LOI allows the contractor or sub contractor to start the formalities on the project, such as the shop drawings and submittals.

A common form of agreement in the construction industry is the letter of intent. A letter of intent is essentially an agreement to agree. The parties are agreeing that they will work together on a ...

Letter of Intent - / Page 2 of 2 work. This letter serves as a notice to Subcontractor of General Contractor's intent to enter into a lump sum contract with , but does not release the Subcontractor to begin any preSubcontractor-mobilization activities that will result in a cost to the General Contractor.

The intention of letters of intent for construction projects. Given the time pressures in the fast-moving world of construction, it's not unusual for projects to get underway before negotiations with the chosen contractor have been completed and the Building Contract has been signed.

Date the letter. Construction letters of intent can be used as unofficial contracts, indicating the acceptance of described construction terms. Address your letter to the appropriate authority. Avoid using the nonspecific "Dear Sir or Madam" salutation. Instead, address the letter directly to the appropriate authority.
