Lionel Lindsay's talents were both diverse and influential. As an illustrator of books by Henry Lawson and 'Steele Rudd' he captured the ethos of the 'Australian legend' better perhaps than any other artist. His sympathetic rendering of the fabric of old Sydney buildings places his work at a point of origin of the conservation movement in ...

Upon his death, his collections were given to the Philadelphia Museum of Art, his art library to Rutgers, and other additional items to the Brooklyn Museum and the Museum of Modern Art in New York. ARTIST: One of Australia's most renowned artists of the early twentieth century, Lionel Lindsay started his artistic career at the age of fifteen ...
