Medicine and Society in the Medieval Hospital. The rise of the modern hospital began in Paris when the social change brought about by the French Revolution provided the momentum for the transformation. For the first time in history, cure of the body and care for the soul were separated, and physicians, rather than the church and rich lay patrons,...

HOSPITAL, MEDIEVAL AND RENAISSANCE HISTORY OF THE... Hospitals have become the primary theaters of modern medical practice. The early history of these institutions dates from about 400 to 1600, and includes these developments:(1) the origins of hospitals; (2) their development in the Byzantine and Islamic worlds; (3) their history in medieval western Europe; and (4) their flowering in Renaissance Italy.

The New Middle Ages is a series dedicated to pluridisciplinary studies of medieval cultures, with particular emphasis on recuperating women's history and on feminist and gender analyses. This peer-reviewed series includes both scholarly monographs and essay collections.

Sheila Sweetinburgh is the author of *The Role of the Hospital in Medieval England: Gift-giving and the Spiritual Economy* (Dublin, 2004) and editor of *Later Medieval Kent, 1220–1540* (Woodbridge, 2010) and *Early Medieval Kent, 800–1220* (Woodbridge, 2016).

From having a hole bored into your head to placing leaves under your pillow at night, medieval healthcare was weird and wonderful. We are fortunate to live in a world today where anaesthetics are available, but back in medieval times people were not so lucky. Here are 10 facts about medicine and healthcare in medieval times.

Medicine and Health in the Middle Ages . The Middle Ages, the period in history between the fall of the Roman Empire and the beginning of the Renaissance (roughly 500 to 1400 A.D.), was very much a time of darkness for modern civilization.

History of Hospitals. By late in the century, however, as society became increasingly industrialized and mobile and as medical practices grew in their sophistication and complexity, the notion that responsible families and caring communities took care of their own became more difficult to apply.
