This recipe is another sweet treat from *Microwave Cooking* by Lorna Rhodes & is sadly the final recipe I'll be entering from this nifty cookbook. The intro boasts that "These are so quick that you can make them within minutes of your children arriving home w/friends." That promise & how good they looked in the pic made a believer out of me (Time does not include 10 minute standing time).

This is recipe #5 from *Microwave Cooking* by Lorna Rhodes. During ZWT last yr, I made Ev's excellent Recipe #62202 using lamb. This Bobotie recipe is a not-as-highly-spiced microwave version that uses beef instead. I'll prob opt to spice it up a bit & use lamb again, so feel free to do the same. (Time does not include 5 min standing time) *Enjoy* !
