"Operation Syndrome," Astounding, June 1954. also in T.E. Dikty's Best Science Fiction Stories and Novels, 1955 series "The Gone Dogs," Amazing , November 1954. "Packrat Planet," Astounding , December 1954.

The missing link in surgery training. Any physician who will be trained in surgery will have to do a lot of practice in order to fully learn a surgical procedure. And the reason for complications in operations is that standard procedures are not followed. These procedures must be performed in a particular order starting at the time a patient ...
