Murder in Spite, the eight novel in the outstanding Acton and Doyle Scotland Yard series, was an exciting read. Lots of action and intrigue that kept me spellbound. I tried to read slowly to savor this gem and now have another 12-month wait for the next adventure with Lord and Lady Acton.

Murder in Thrall is an Acton and Doyle Scotland Yard mystery book series. It is the first Scotland Yard mystery book. It depicts the dangerous notable achievements of the two Scotland Yard detectives' journey of hunting down the London's most notorious killer. Chief Inspector Michael Sinclair, also known as Lord Acton, and novice detective Kathleen Doyle are the two main characters of the first mystery book.

It is a person of infamous familiarity to Acton and Doyle, a priest who was involved in a sex slave ring back in London. As often happens when Acton is involved, this murder is just the first event in a connect-the-dots catastrophe he must try to fix, while hiding it from Doyle.

If you love murder mystery series, then check out this awesome series and see what you think! Murder In Thrall is the first novel in the Scotland Yard series by author Anne Cleeland. The story kicks off with a bang and readers get to meet the characters of Kathleen Doyle, a detective, and Michael Sinclair, the chief inspector.

Acton and Doyle are sent to investigate the murder of a trainer at a racetrack, and soon new killings related to the first start unfolding, dragging the two investigators into ever more perilous situations.

If you enjoy reading crime mystery book featuring Scotland Yard, you'll love reading the Anne Cleeland books in order for her Doyle & Acton (aka New Scotland Yard) series. The series currently features seven books, with the latest, Murder in Misdirection, published early 2018.
