Jane Belk Moncure's acclaimed Sound Box Books have been an educational standard for more than 30 years. We've updated and enhanced this beloved series to meet current educational standards and reflect cultural and social changes. The text appears in a clear, san-serif typeface and paragraph form, and rebus icons trigger recognition of target words.

Sound boxes can help students learn how to hear and record sounds in words. Each student needs a Sound Box card in a plastic write-on sleeve, a dry-erase marker, and an eraser. Use the following steps: Step 1: Dictate a word for students to write in the boxes. (Do not have students guess how many boxes

As I was thinking about how to teach my preschooler the phonetic sounds of alphabet letters, I wanted to create a fun way to teach him this. When I was walking around JoAnn's Fabric Store last weekend, I came up with an idea for an alphabet sound box. This is a tool to teach kids sound recognition by pictures or objects.
