Open [David Price] on . \*FREE\* shipping on qualifying offers. "From every perspective OPEN will open your mind to some of the real implications of digital technologies for how we live and learn in the 21st century." Sir Ken Robinson

"David Price's book Open is just the kick up the backside that learning organisations have been waiting for. This funny, personal and to-the-point tour of the informal social and digital learning that's all around us is exactly the high-voltage reality-check all us teachers need."

It's not so much a question of if our workplaces, schools and colleges open, but when." Some of what David Price discusses in Open: How We'll Work, Live and Learn in the Future, has been a hot topic for decades—particularly concerning the issues of education, and student engagement.

David Price is a writer, consultant, speaker, and trainer. He is a Senior Associate at the Innovation Unit, in England, and Director of Educational Arts. He consults with organisations and schools, and has led a range of ground-breaking, innovative, education programmes.
