In this book, Valeri Beim explains how to factor in dynamic considerations, and weigh initiative and time against material and other static factors. Topics include: dynamics, development, the king as a target, breakthrough, and the initiative.

- Don Aldrich, Chess Today "Want to play dynamic chess? You could work your way through a pile of Alekhine's games, chow down on some self-annotated games by Kasparov, or reflect on one of the classics like Suba's Dynamic Chess Strategy. However, if you choose to work with Beim, your chess will become more dynamic.

How To Play Dynamic Chess [Valeri Beim] on . *FREE* shipping on qualifying offers. Chess is fundamentally a dynamic game. Each move changes the situation and the possibilities for both sides. No piece is ever identically as valuable as any other

Chess is fundamentally a dynamic game. Each move changes the situation and the possibilities for both sides. No piece is ever identically as valuable as any other, and their scope changes from move to move.

Chess is fundamentally a dynamic game. Each move changes the situation and the possibilities for both sides. No piece is ever identically as valuable as any other, and their scope changes from move to move.

The static factors in chess are the elements of a position which don't change for a relatively long time, or change insignificantly and gradually; whereas dynamic factors are those elements which are in a rapid process of change. Author: Valeri Beim Title: "How To Play Dynamic Chess" Released: 2004 Format: rar/pdf Quality: good Number of pages: 177

How To Play Dynamic Chess. Valeri Beim is a grandmaster who lives in Austria. He has won numerous tournaments and plays in the Austrian and German leagues. For many years he was the head trainer at the chess school in Odessa, and he was also the trainer of the Israeli Olympiad team. Published 2004, softback, 176 pages.

The result is a fresh and instructive look at the strategy and tactics of the American legend, and their relevance to the modern approach to the royal game. Valeri Beim, is an international grandmaster now residing in Vienna. He is a respected chess instructor and author; this is his fifth chess book.
