Stuart Halloway's Programming Clojure (Pragmatic Programmers) is a slightly older book (published in May 2009), which grants Practical Clojure a distinct advantage. This is not to say that Programming Clojure is obsolete, on the contrary it's still a valid choice, but it doesn't illustrate some of the new features that are available today.

Epub. Practical Clojure (Expert s Voice in Open Source) (PDF,EPUB,TXT) This book demonstrates the use of the language through examples, including features such as software transactional memory (STM) and immutability, which may be new to programmers coming from other languages. Overview of functional programming and description...
