Make sure the kennel is large enough for your dog to lie down and sit up comfortably, and small enough for him to keep warm with body heat. Use old towels and blankets for insulation and bedding – they're easy to wash and keep flea free. Shelter the entrance from wind and raise the floor to prevent dampness.

Create a no-stick shovel. Spray your favorite garden shovel with a silicone or Teflon lubricant to make shoveling a breeze. A good coating of this spray will make any type of soil slip right off the shovel without a mess. Get details from The Family Handyman ».

Take a break at your cubicle and laugh with our collection of Reader's Digest cartoons... Don't Make These 9 Mistakes in the Workplace—Unless You Want Your Co-Workers to Think Less of You Even if you're a model of professionalism and efficiency at work, slip-ups happen.

When planning your design, include pathways, arbours, ponds, large containers, fountains, statuary and garden benches that draw both foot traffic and attention through the garden. Here are eight ...
