Data Citation of the Item Reservation "capitalism" : economic development in Indian country, Robert J. Miller Copy and paste the following RDF/HTML data fragment to cite this resource

This unique book investigates the history and future of American Indian economic activities and explains why tribal governments and reservation communities must focus on creating sustainable privately and tribally owned businesses if reservation communities and tribal cultures are to continue to exist.

The item Reservation "capitalism" : economic development in Indian country, Robert J. Miller represents a specific, individual, material embodiment of a distinct intellectual or artistic creation found in Brigham Young University.

The American economic system is a shifting continuum. Capitalism relies on market forces and rewards individual effort. Socialism works toward the collective good and aims to provide food, housing and education for each member of a community. A recent video renewed debate by arguing socialism failed Native nations. Does either approach help tribes?

Review of Robert J. Miller's Reservation "Capitalism" Economic Development in Indian Country. By Larry Chavis, University of North Carolina . August 27, 2010 . The purpose of this review is not so much to critique Robert Miller's new book, but rather

Yesterday dated 28-03-2015 Jashan- E- Nowruz festival held in LOKVIRSA Shakar pariyaan Islamabad. very beautiful the young guys performed sword dance whos belong to Valley HUNZA Pakistan.
