

# Download Sat Vocabulary A New Approach

SAT Vocabulary - A New Approach addresses all three of these concerns and much more. The authors correctly note that SAT vocabulary has changed but not gone away. They address the changes by devoting chapters to vocabulary-in-context questions, passage-based vocabulary, commonly confused words (prosecute/persecute), and transitional words and phrases (conversely, furthermore).

However, that role is subtler than it was on the old SAT. Instead of being concentrated in 19 sentence completions and a handful of vocabulary-in-context questions, the new SAT vocabulary takes a variety of different forms. Our findings convinced us that the new SAT requires a new approach to vocabulary.

SAT® Vocabulary: A New Approach covers key vocabulary for the Reading test, Writing and Language test, and Essay of the redesigned SAT. This book offers an approach that is aligned with the new SAT's focus on vocabulary in context.
