En español | Critics sliced Fifty Shades of Grey to ribbons. So why did the movie enjoy one of history's highest-grossing openings — \$94 million in its first four days? The reason, I propose, is simple: Women are interested in submissive sexual play; aroused by the books, they went to see the movie hoping for a second shot at sexual — and romantic — excitement.

With the recent buzz being created by EL James' book "Fifty Shades of Grey," I felt compelled to discuss the elements of the relationship described in the book as well as dispel myths that have ...
