About the Author. Carli Davidson is a crazy cat lady. She talks to her own cat, Yushi, more than any other creature on the planet and is pretty much always covered in cat hair. She lives in Portland, Oregon, with her husband, Tim, pets Saul and Yushi, and a rotating cast of foster animals.

For her latest series Shake Cats, Portland photographer Carli Davidson trained her high speed camera on a parade of fluttering felines, capturing each cat mid-shake in an explosion of fur, skin, and spit. You may recognize Davidson's work from her previous portraits of shaking dogs and puppies. This new series proves to be equally humorous—if not more so—and is accompanied by an equally fun video, seen below.
