Parents need to know that The Invaders is the second book in Brotherband Chronicles, the companion series to the popular Ranger's Apprentice series. There's more violence here than in Book 1, The Outcasts , because the seafaring teens are done with their official training and are facing real pirate enemies.

The Invaders, written by John Flanagan, is the second in the Brotherband Chronicles, a series I would recommend to both casual readers and those who truly want a story to sink their teeth in. I highly recommend it to any who have read the Ranger's Apprentice series or the first in the Brotherband Chronicles.
