

# Download You Had To Be There A Memoir

Gene Gorman's memoir, *You Had to be There*, is a roller coaster ride that takes the reader from Gorman's childhood to the horrors of Vietnam, his descent into alcoholism, his fight for sobriety and following success as a salesman, entrepreneur, husband and family man. The one constant thread throughout all of this is his need to excel.

Gene Gorman's memoir, *You Had to be There*, is a roller coaster ride that takes the reader from Gorman's childhood to the horrors of Vietnam, his descent into alcoholism, his fight for sobriety and following success as a salesman, entrepreneur, husband and family man. The one constant thread throughout all of this is his need to excel.

*You Had to Be There: A Memoir*. *You Had to Be There* provides a true account of how Gorman, an average man, overcame personal failure to achieve unlikely success. It offers a message of hope to others who have faced life's challenges fueled by circumstances beyond their control, poor decisions, or any type of addiction.

"Great," he had said to me, drinking a cup of coffee in my kitchen, "another memoir about a mother who dies from cancer." I wanted to punch him, in part, because he was right.

One of the most powerful connections you can make to benefit from the message of your memoir is to show your readers that it's not just you. Others have gone through the same situations you have and came out with the same perspective.
